TO

WORLD WAR II BUDDIES:

As a Post Commander, I take this occasion to invite and welcome all who wore our Country's uniform with honor in World War II, regardless of location or branch of service, to become full and active members of the Veterans of Foreign Wars.

When the Pearl Harbor insult became known and evaluated, we passed to you a large part of the responsibility of protecting our Country and our way of life in a chaotic world of terror.

You won, and you have returned to the scenes of your childhood, suddenly matured, ready to take your place in the community. As in the war emergency, the responsibility for the future of our country is largely yours.

All Commanders are striving for both the betterment and protection of their Community, State, and Nation, and for the care and protection of all ex-service men and their families. We invite you to work with us toward those ends; in fact, we hope to pass the ball to you.

GREETINGS TO ALL VETERANS FROM RUNNELS COUNTY:

The American Legion Post No. 261 commend each and every one who have served in World War Number 2 and who have done a great job for Democracy. Their services shall not be forgotten. To those who have gone to meet the Supreme Commander, may their loved ones find comfort in the knowledge that they gave their lives for their Country.

We are mighty proud of the boys whose pictures are contained in this book, also for the services they have given us all.

I assure all veterans that we will not let you down in after years and shall always remember the service you have performed.

E. D. Burkett
Commander Amer. Legion Post No. 261
Winters, Texas

TO THE MEN AND WOMEN OF THE ARMED FORCES FROM RUNNELS COUNTY:

The Winters Chamber of Commerce takes this opportunity to welcome home the Veterans of World War II, and extend our appreciation for a big job well done.

We backed you up here at home the best we could and we want to assure you that the Chamber of Commerce is and will always be at the front in the battle for the rights of the Veteran.

Each American should do his part to maintain a free America for the future, so that your sacrifices will not have been in vain. May we also keep hallowed in our memories those who have made the supreme sacrifice and always honor those whose good fortune it has been to return.

GREETINGS

To the Men and Women who so gallantly served our country in this most terrible of all conflicts.

As I undertake to greet you for the job so well done, I find words are so shallow and inadequate for the purpose.

I also fully realize that none of you are seeking individual recognition, and that you have the satisfaction of knowing that you have done your part and done it well and are now asking for no more than a place in the society you are returning to.

But as Post Commander of the American Legion Post No. 8, I don't feel like I can let the opportunity pass to tell you, we, as members of the American Legion, are more than proud of the way you have handled this job and that we stand ready to a man to do what we can for you and yours as you return to your home communities.

Sincerely yours,

MEN AND WOMEN
IN THE ARMED FORCES
DURING WORLD WAR II

Worldwartwotwoveterans.org

We have made every effort to obtain the pictures and names of all men and women in the Armed Forces from this County. We realize, however, that our goal has not been attained and we sincerely regret any exclusions of names, as well as other errors, which may have occurred.

The Negroes have made valuable contributions to all of the war activities. Although the write-ups and pictures for only a few are contained in this book, there were several hundred men and women in the Armed Forces and they have served in all parts of the world.
