

63rd Infantry Division Newsletter

Issue Number 32

December 2003

All information in this Newsletter is developed by Fred Clinton, Webmaster, 63rd Infantry Division and does not necessarily reflect the views of other individuals and is in no way an Official Publication of the 63rd Infantry Division or 63rd Infantry Division Association.

The Holiday Season is upon us again and I am frantically preparing to celebrate my family, the season and just being alive. Today I was reviewing some of my files and it dawned upon me that it was 59 years ago that I was comfortably encamped on a cold hillside just out of Marseille, France along with the men of the 253d, 254th and 255th Infantry Regiments wondering what was to come next. Unfortunately it wasn't too long before we found out- the hard way. What an experience we all had!!

This month's Newsletter will be short and sweet.
