you are, but the "Dog Days of Summer"
are
upon us here in the Washington, D C
area.

While I like a little warmth as well as the
next person, I am not comfortable in 90+
temperatures with extremely high
humidity.

off,
but by the time I got ready it would start
getting cooler here.

Just a few things to report on this month
and
I know that so many of you will be on
vacation- COOLING OFF- so I'll get this
newsletter on the way.
