

63rd Infantry Division Newsletter

Issue Number 14

Sep 2001

All information in this Newsletter is developed by Fred Clinton, Webmaster, 63rd Infantry Division Association and does not necessarily reflect the views of other individuals and is in no way an Official Publication of the 63rd Infantry Division Association.

Well now--hasn't this been one hell of a week. I am so angry and frustrated that I have decided that instead of the usual Internet Newsletter I will just send you some of the information I have been receiving over the Internet with regard to the horrific events of this week. I hope these items will express my feelings with regard to the terrible things that have happened to the people of the United States and my hope that we will soon make those responsible pay, not in a court room but on the battlefield in our war against terrorism. See you at the reunion on the 28th of September 2001 in Virginia Beach, Va.
