

63rd Infantry Division Newsletter

Issue Number 3

October 2000

All information in this Newsletter is developed by Fred Clinton, Webmaster, 63rd Infantry Division Association and does not necessarily reflect the views of other individuals and is in no way an Official Publication of the 63rd Infantry Division Association.

Well, from the responses to my last newsletter it looks like I will use the size 12 font for regular articles.

I suppose the big news for this issue is the announcement of new reunion dates. So if you want to check on the next Annual Association Reunion or new Chapter Reunions click below and get the details:

MAIL CALL AND BUDDY SEARCH ENTRIES

If you haven't taken the time to check out the many inquiries appearing on the Mail Call and Buddy Search Pages please do so. So many children of deceased 63rd Infantry Division veterans are only now seeking information about their father's wartime service. This is also true about other relatives of 63rd Infantry Division Veterans. We also get a number of inquiries from 63rd Infantry Division veterans who only recently discovered that there is a 63rd Infantry Division Association. Please help

THE 63RD INFANTRY DIVISION ON OCCUPATION DUTY.

Recently I added some new material to this section of the web site. For a little humor, check out the Playbill and Photo concerning the [253rd Infantry Regiment production of the Opera "Carmen"](#). Currently I only have one photo of that production, but I am seeking more. The "girls" really looked good.

I also was fortunate to receive a number of photos of Company C, 253rd Infantry Regiment members from James Sonneborn, C/253rd Infantry. Those photos appear in this section immediately following the "Carmen" material.

On the 7th of November 2000, we will again have the freedom and privilege to elect our representatives and President.

As you recall over 1000 of our friends and buddies gave their lives in World War II to

those making inquiries to get the information they are seeking . To go to the Mail Call and Buddy Search pages, click on those subjects above.

THE BATTLE OF JEBSHEIM, FRANCE

Just when you thought there could never be any new information written about the Battle of Jebsheim, France I have come up with an 18 page account prepared by the Citizens of Jebsheim who were present in the village at the time of the battle. If you want to see a savage and devastating battle from a non-combatant point of view take the time to read the experiences of these people who suffered the ravages of battle, hand-to-hand combat, fire, cold, snow, shelling and bombing first-hand.

I am currently attempting to obtain the photos that were with this narration. As soon as they are available I will include them in the proper spot in the narration.

Go to that section of our history by clicking on the title above.

protect our freedom and right to vote for our national leaders. Please don't let their deaths be in vain. **PLEASE TAKE THE TIME TO FIND OUT ABOUT THE ISSUES FACING OUR NATION AND TO VOTE FOR THE PERSON YOU THINK WILL BEST MEET YOUR HOPES FOR THE FUTURE OF OUR COUNTRY.**

I am still actively seeking new photos and memorabilia images to put on the web site. An example of memorabilia images would be the Carmen program and the recent addition from my files, a copy of the daily newsletter published on the Saturnia during our trip to Europe in Nov-Dec 44.
