My Darling Rita,

My thoughts have been of you all day Darling. I Love ^{you} You. and will forever & forever. I stayed awake last night until the New Year came in. My thoughts were of you every moment. I hope the New Year has much happiness in store for you and I hope we will be together before the year is over.

I Received my first letter from Mother for a long time, to-day. Every one is OK at home I guess. Bill still lumps some. But weighs 238 Mother says.

Now I need a good Bill
fold. whether you send one
for xmas or not I do not
know as I haven't received
the packages yet. If you
have why don't send one.
But other wise when you
happen to be up town see
what you can find. I'd like
a leather one with places
to keep a few pictures. If
you do send one be sure
to put several snap shots
in it of you Darling.

I must end now. Bye
Darling all my love + kisses
to the Dearest + Loveliest
one on earth. May the
angels watch over you
for me
Love + Kisses

Your Loving Husband
Nevada.
