INFANTRY

DIVISION

ASSOCIATION

ANNUAL

1970 - 71

President's Message:

Although over five years have gone by since the deactivation of the Division, the interest of the 63d Infantry Division Association continues, and I am pleased to announce that we have had an increase in the membership to 150.

It seems to me we are living in the period when most of the radicals, misfits, rioters, people who have contempt for law and order, and people who show disrespect toward religion, teachers, government officials, and uniformed men who are serving our country are getting all the publicity. It is high time some of us good guys get similar recognition and publicity.

With this in mind I have initiated a program through the approval of the board to officially recognize past presidents and current members of the board who have served two years or more. I hope this action will let the officers who served the Association know that we appreciate their contribution. Secondly, we hope to attract other people to serve and recognize that the elected members of the board hold positions of honor.

Although many of us are retired from active USAR or about to in the next few years, we should not retire our brain power, experience, leadership, and our patriotism. We have within the 63d Infantry Division Association a fantastic amount of talent. It is my hope that more of this positive power will be utilized for the good of our country. It will take sincere dedicated leadership to carry out such a program. I am confident we have many such leaders among the members. We want to actively support the ROTC. We want to endorse and encourage other organizations who are striving to improve our youth and environment. We can not afford the luxury of doing nothing.

May I take this means to thank the board for their faithful support during the current administration. Many good men will occupy the chair of the presidency in the future, but you will not find any one more proud than I for the privilege of being your president.

Proudly yours,

JIMMY S. GOZAWA
