BRAZOS COUNTY

BRYAN, TEXAS

A. S. WARE
COUNTY JUDGE

TO THE MEN AND WOMEN OF THE ARMED FORCES OF BRAZOS COUNTY

When our Nation has called upon its citizens for aid and sacrifice, Brazos County has always responded proudly and in full measure. Your efforts in every branch of service and in all parts of the globe during the recent war have kept our honor bright and brought reknown to the land of your forefathers.

As County Judge of Brazos County, I take this means of expressing for our citizens our deep appreciation and gratitude, for the splendid services rendered us during the greatest war in history. No words can fully express our thankfulness to you.

Through all of this we have done our best to hold up your hands while you were away. We have trained thousands of pilots at Bryon Field. We have exceeded every drive for bonds and materials and Red Cross. We have tried to make you proud of us.

May we always keep hallowed in our memory those who have made the supreme sacrifice, and always honor those whose good future it has been to return so that together we may face the future secure in the thought that these sacrifices have not been made in vain.

Sincerely

A handwritten signature in cursive script that reads "A. S. Ware".

A. S. Ware
County Judge.

a Message from the President

We at A. and M. were happy to welcome to the campus the veteran of World War II who came to begin or to continue his college education which was delayed or interrupted by the war. By the hardships you have endured, each of you has demonstrated a true desire and a fitness for a place in the American way of life. With this in mind, it is the pleasant duty of the A. and M. College staff to make available to you every facility of the College to speed your education.

If the peace for which you so valiantly fought is to be preserved, it will be through an educated citizenry which fully understands the meaning of war and the value of peace. None could be better fitted for the role of leaders to preserve the peace than you who know so well the meaning and horror of war, and whose presence at A. and M. College is proof of your desire to prepare yourself for leadership in your chosen field. Yesterday you were in actual battle against those who would destroy our way of life; tomorrow we shall look to you as the leaders who will bring true the dreams of a world at peace. We are happy and proud to have you at the A. and M. College of Texas, and we wish you every success.

Sincerely yours,

AGRICULTURAL AND MECHANICAL COLLEGE OF TEXAS

COLLEGE STATION, TEXAS

OFFICE OF THE REGISTRAR

April 24, 1946

To Ex-Service Men at the Agricultural and Mechanical
College of Texas:

Cessation of hostilities in the European and Pacific Theatres of Operation in May and August of 1945 brought joy and happiness to Aggies throughout the world, and soon plans were being completed for homecomings and re-enrollment in the A. and M. College of Texas. Hundreds of others made plans to attend the College for the first time, and the Staff made rapid progress in the changing from a war status to a peace status.

The entire nation has learned of the great contribution made by former students of the College and has paid homage to the men in service as it has to no other single institution. Aggies have made records unsurpassed and have achieved all that typifies the finest in American manhood.

The College has made a sincere effort to render a valuable service to the veteran in making his work here pleasant and profitable. Every member of the College Staff is proud of the scholastic records being made and appreciates the co-operative spirit manifested by the veterans. We have found changed attitudes and ambitions, for which we are all very thankful.

I have never worked with more joy and happiness than I have since I returned from the service to A. and M. It has been an inspiration to talk to so many good men, and we have been satiated with pleasure when we think that perhaps we have been able to render some small amount of assistance and service. I shall always treasure these experiences and cherish the memories of these months. I hope for every veteran and his family much happiness and success in a life of peace and national development for many years to come.
