GREETINGS TO ALL VETERANS FROM DELTA COUNTY:

As I undertake to greet you for the job so well done, I find words are so shallow and inadequate for the purpose.

I also realize that none of you are seeking individual recognition, and that you have the satisfaction of knowing that you have done your part and done it well and are now asking for no more than a place in the society you are returning to.

But as commander of Harry A. White Post, the American Legion, I don't feel like I can let the opportunity pass to tell you we, as members of the American Legion, are more than proud of the way you have handled this job and that we stand ready to do what we can for you and yours as you return to your home communities.

Sincerely yours,

C. C. Harvey,
Commander,
Harry A. White Post # 65
The American Legion

**COUNTY SUPERINTENDENT OF SCHOOLS
DELTA COUNTY**

Delta, Colorado

Now we have the opportunity to prove ourselves worthy of our friends--our armed men and women--who have handed victory to us. May we all unite in the eternal war against prejudice, greed, and ignorance. May we be worthy citizens of "one world".

Martha Savage
County Superintendent of Schools

Arthur A. Clements
COUNTY JUDGE
DELTA COUNTY
ADMINISTRATOR

LUCILE S. FORD
ASSISTANT CLERK

DELTA, COLORADO

We owe to the men and women who served in the Armed Forces during the late war a debt of gratitude which we never can pay. Many gave their lives; some came home maimed and crippled for life; others sacrificed their health; all laid aside their life plans and thus handicapped their future. They have the honor of saving for all of us the best government and the greatest nation on earth. Their only reward is the consciousness of duty well done and the privilege of living under that government which their sacrifices saved.

The responsibility of winning the war is behind them. They now assume grave responsibility as citizens with duties, rights and privileges as other citizens. They are a part of our government "of the people, for the people, by the people." Unless this is recognized, the great sacrifices they have made will have been in vain. It is now their duty, and the duty of all of us, to carry on with the loyalty and spirit of patriotism in peace that they manifested in war that our government and our nation may endure.

Arthur A. Clements
County Judge of Delta County,
Colorado.
