Veterans of World Wars I and II:

Allen Brothers' Post #148 of the American Legion is at all times ready to serve you in peace as it did in war. # To all Overseas Veterans of World War II

October 15, 1946

As did your fathers in 1917 and 1918, and your grandfathers of 1898, you have met and conquered the nation's enemies on hostile seas and on foreign soil. We of the Veterans of Foreign Wars welcome you home after a job well done, and extend to you a most cordial invitation to join more than 2,000,000 of your comrades in becoming affiliated with our great organization.

In the VFW you will find true comradeship and a sincere desire to help any and all needy veterans and their families. The VFW has sponsored and fought for most of the legislation that has created benefits you are now enjoying, and we will continue to fight the battles of the men who know what it is to hear a shot fired in anger; men who know from their own experience the hell of modern warfare.

Lubbock Post No. 2466 of the VFW needs the help of you boys. Our post is growing larger and larger. We have plans for a vast expansion program and we know you will enjoy working with us. Our post meets the first and third Wednesday nights of each month. You will always find a warm welcome from your overseas comrades.

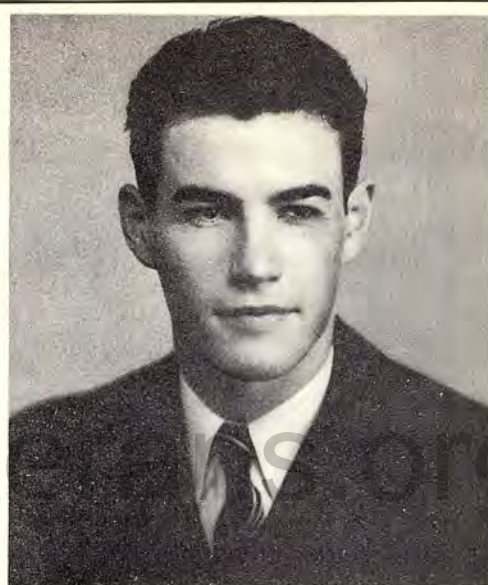

Yours in comradeship,

A. I. Glassman, Commander  
Lubbock Post No. 2466  
Veterans of Foreign Wars.

To all  
Veterans  
World War II  
LUBBOCK COUNTY, TEXAS  
Greetings

This book has been dedicated to those men and women who lost their lives in our latest global conflict; and it is also intended to be a lasting record of the services of those men and women from Lubbock County who served in this, the greatest of all wars. All who took part have made many sacrifices in order that the American way of life might be preserved.

The war has been won, as have all our wars, because we were right, and even our enemies are fortunate in our victory. They know that our nation has never engaged in a selfish war, and that we have never exacted an unjust peace from a fallen foe.

Now the peace must be won, and the world put on the right course by our precept and example. We will have to show the same pioneer spirit that cleared the forests and conquered the mountains and the plains of our great land. Never in our long and glorious history has courage and fortitude been needed more.

You veterans of World War II can best do your part in helping restore the World to normalcy through membership and active participation in the work of the nation's two strongest and oldest veterans organizations. As commanders of Slaton's American Legion and Veterans of Foreign Wars Posts, we invite you -- even urge you to become affiliated with one or both of these organizations. They need you and you need them.

Sincerely,

*C. C. Hoffman Jr.*
