41ST FIELD ARTILLERY BATTALION (LIGHT)

The 41st Field Artillery Regiment—now a battalion—was first organized at Camp Custer, Michigan, in August, 1918, and was demobilized there in February 1919. It was reconstituted and consolidated with the

post-war regiment in 1936, and activated as the 41st Field Artillery Battalion on October 1, 1940. Personnel for the 41st Battalion came from the old 10th Field Artillery Regiment.
