THOS. R. BRAILSFORD POST NO. 134
CROCKETT, TEXAS

October 30, 1946

TO ALL VETERANS:

As Post Commander of the American Legion Post in Houston County, I want to take this opportunity to welcome you to membership in the Legion.

Twice in the past thirty years America has been called on to defend itself against tyrant enemy aggressors. Twice America has been successful. Certainly, regardless of branch or arm of service or theater of operations you contributed a vital part in defending your country. So, now you have an even greater job; that of making a safe and lasting peace.

Legionnaires strive to safeguard Freedom, Justice and Democracy. Their efforts are tireless to aid the veteran and veteran's families; to make this a better world to live in; to improve the standards of our community, state and nation.

The role you play as a civilian in your community is every bit as important as the one you had in the service.

Again, Veterans, I welcome you to become one of us. The Legion needs you - you, as a veteran and citizen, need the Legion. The only requirement: Honorable Service while in the Armed Forces.

Sincerely,

Herbert Callaway

HOUSTON COUNTY V.F.W. POST NO. 5870
Crockett, Texas

October 30, 1946

TO: Members of the V.F.W.,
All other Veterans,
The General Public of Houston County.

Dear Comrades and Friends:

To the members of Houston County Post No. 5870, V.F.W.: Let us remember the regular meetings of our post on the first and third Thursday nights of each month and attend them to the end that our organization may be of substantial benefit, and a credit to us and to all veterans.

To veterans eligible for membership in our organization we extend a cordial invitation to submit your applications for membership so that you may enjoy the benefits and fellowship of the post and help us in our worthy undertakings.

To the public generally, including members and those eligible for membership, may this book and the pictures and sketches herein contained be a constant and everlasting reminder that we of the United States, and of Houston County in particular, do not want wars and hope that never again will our citizens be called upon to defend our country, but that in time of need we did, as we will again, answer the call if need be and pay in loss of life or loss of time as circumstances and luck require, in order to defend and uphold the American way of life against the forces of aggression.

Very truly yours,

G. W. Kennedy, Jr.
