Rufus K. Anderson Post No. 283

Joe C. Denton, Service Officer

BONHAM, TEXAS

TO THE MEN AND WOMEN OF WORLD WAR II.

It is to you—those who have been selected to serve and those who have voluntarily answered the call to service—that we owe an incalcuable debt of gratitude for the perpetuation of our nation as a free and liberty loving country. Without your devotion to duty and your sacrifice of blood and toil, we today would be fettered in chains of slavery, unwillingly doing allegiance to masters of foreign birth. Only from a great nation such as ours could a war time condition be met and mastered by a winning combat team composed of all branches of the service, each made up of the flower of our youth who so willingly cast aside the privileges of civilian life and so gloriously take up the sword of battle to preserve our country as we would have it be.

You service people of today, we trust, will be our buddles of tomorrow in a joint effort to serve all Veterans through our organization—one born of necessity after World War I, in order that Veterans through co-ordinated action might advance their own welfare.

You have borne the torch of liberty well, and it is through you and your loyalty, sacrifice and supreme devotion to duty, that a job that was begun by Veterans of World War I in 1917 is being so successfully completed.

May your posterity carry on the good example set by each of you in doing your all to preserve for countless years a nation great in stature, a nation that has been great only through its individual citizens such as you who were willing to make the supreme sacrifice so that our nation might remain a suitable place in which to live and of which your children and their issue may be justly proud.

Yours Sincerely,

T. G. Finley, Commander

THE ELIZABETH CROCKETT CHAPTER OF THE W.I.V.E.S.

This club was organized Friday night, April 23, 1945. Until affiliation with the National Organization it was known as the "Mrs. G. I. Joe Club." The W.I.V.E.S. is a non-partisan, non-sectarian organization of wives of servicemen of every rank and branch of the United States Armed Forces and the Maritime Service. The four-fold program of the W.I.V.E.S. is to insure Victory, Equality, Security by (1) Keeping up the morale of the serviceman; (2) Keeping up the morale of his wife. (3) Serving the national war effort; (4) Working to insure a secure post-war world. It was formed by a group of women who loved their husbands and their Nation and found a way of proving their devotion to both. There are now chapters in every state in the Union, all'named for famous women. The local chapter is named for the wife of David Crockett, who named and founded Honey Grove.

ACTIVITIES: Bond Selling; Red Cross; Canteen; Educational Activities; Monthly Forum; Social Activities; Publications (newspaper—"Mrs. Yank" magazine—"A Word to the W.I.V.E.S.")

Special Services: Health Aid; Child Care; Legal Aid; Housing Bureau; Employment Counsel; Diet and Nutrition Classes; Choral Groups; Dramatic Groups; Painting and Crafts Classes; Interior Decorating Instruction; Tax Advice.

WE HAD WAR IN OUR FATHER'S TIME .

WE HAD WAR IN OUR HUSBAND'S TIME . . .

WE WANT PEACE IN OUR CHILDREN'S TIME . . .

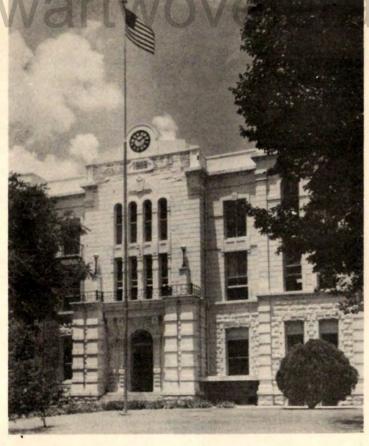

On separate battlefronts, we, The W.I.V.E.S. of servicemen have tested our energies in wartime, along with our men. We know we are helping them win the war. Now we face a still harder task, together . . . TO SECURE THE PEACE.

"Victory," "Equality," "Security," are hollow word. unless coupled with the humbler work-a-day words: "Jobs," "Homes," "Churches," "Schools."

THE W.I.V.E.S. WAS BORN BECAUSE WE REFUSED TO SIT OUT THIS WAR.

WE WILL NOT SIT OUT THE PEACE.

FANNIN COUNTY COURT HOUSE VOICE BONHAM, TEXAS TELES.OFO

THE BONHAM PUBLIC SCHOOLS IN THE WAR EFFORT

The Bonham Public Schools have contributed to the war effort in a great number and variety of activities. In the early days of the war, Victory Concerts were held for the selling of stamps and bonds. War programs were given in Bonhi's auditorium on save, serve, and conserve. High school students were dismissed from school in the fall of 1942 for ten days to help Fannin County farmers pick their cotton. Teachers conducted registrations for gasoline and sugar coupons, and for other ration books. Teachers and pupils have at all times aided the American Red Cross and subscribed liberally to its drives. A Junior Red Cross in Duncan and the other ward schools made games, slippers, knitted articles, etc., and contributed them to near by army camps. A high school Victory Corps, designed to mobilize students for more effective preparation for and participation in war time service, was organized in Bonhi in the spring of 1943. Some of its activities were the making of surgical dressings, knitting, home nursing work, model air plane making, drilling for both girls and boys, agricultural projects, first aid study, courses in Refresher Mathematics, bond work, etc. All students participated, and classes for the activities met twice a week. The Victory Corps operated as long as its need was felt which was one and one half school years.

Perhaps no war effort attracted more interest in the schools and in the town than the Waste Paper Drive, which was sponsored by the Victory Corps January 3-8, 1944. The amount of scrap paper collected and sold was 40,955 pounds, almost 1000 pounds above the original goal. Bailey Inglish led all schools with 13,920 pounds of newspapers and magazines contributed. Another interesting activity for the war effort among all the schools was the Fourth War Loan Drive. A bond-stamp quota of \$36,450 was given to the Bonham schools. A total of \$37,706.70 in bonds and stamps was purchased by pupils, teachers and parents.

This last school year, 1944-1945, has been no exception to the number and variety of activities dedicated to the prosecution of the war. Material contributions were made to the War Chest Drive in October and later to the Red Cross drive. One hundred and forty bedside bags for the Red Cross were made by the homemaking girls in the high school. A waste fat drive in Bonham High with a goal of 200 pounds brought in 534 pounds of waste fat. The school system made its own goal to sell as many "E" bonds as possible for the Seventh War Loan. The school eclipsed all former efforts and were given credit for the sale of an all time high of more than \$98,000 worth of bonds.

But more valuable than all of these activities have been the efforts and sacrifices of those fine young men and women who have gone from the Bonham schools to give to their country.

TO ALL FANNIN COUNTY MEN AND WOMEN

Who Have Served in the Armed Forces of our Country in the Second World War

Greetings:

We, the members of the Bonham Chamber of Commerce, express to you our appreciation for your help in completing the job we began twenty-five years ago.

The citizens of Fannin County have purchased more than \$10,000,000.00 in War Bonds since war was declared.

They have co-operated in every way in supporting the Red Cross, U.S.O., National War Fund and all other drives.

Individuals, churches, schools and civic organizations alike, have backed every movement to promote the war program against the enemy.

The boys can always depend on the folks at home doing what they can to keep the wheels turning to furnish foods and materials for them while they are making the horrible sacrifices of war.

To the parents and relatives of those who lie buried in foreign soil we want to say that the Bonham Chamber of Commerce dedicates itself during its entire existence to upholding and maintaining the ideals for which your boys and ours give their lives. We ask the help of all of you in making America a better place in which to live and a safe place for our children and their children.

Sincerely Yours,

R. B. Nunnelee, President Bonham Chamber of Commerce

TRENTON

Trenton, population 700, is located in Southwest Fannin County, and has met every quota in War Bonds, Red Cross and USO drives. Her citizens are thoroughly patriotic and have boosted every movement that would in any way help win the war.

The following have served as chairmen in the various drives: War Bonds, Henry Donaghey, cashier, First National Bank; Red Cross, Mrs. Henry Donaghey; USO, Mrs. Tom Holmes and Mrs. Grady Riley.

The town and community are proud of the young men and young ladies in the service of their country, and they are scattered all over the world.

Up to the present time only two men have been killed, namely, Oscar Strayhorn and Rennie D. Patterson. A number have been wounded, most of whom recovered and returned to service.

Tom Holmes, Publisher
Trenton Tribune.

THE NEGROES' CONTRIBUTION IN FANNIN COUNTY

The Negroes of Fannin County, slightly more than 5,000 in population, have made a substantial contribution to the war effort in men and means. Approximately 500 men and women have answered the call to the service in various branches.

In the support of the war loan drives one Negro alone purchased \$5,000.00, another \$3,000.00. The Court of Calanthe, Mrs. V. A. Bradford, W. C., who is a resident of Fannin County, has purchased \$165,000.00 in war bonds.

The six churches and one High School have aided substantially in the war effort. The Negroes of this county are proud of the commendation given by the selective service report in which appeared this statement, "Not one Negro from Fannin County has asked for a deferment in this war."

Our people have shown their loyalty in every way during this global conflict and in every emergency.

> E. Bernard Hurd, Pastor Bethlehem First Baptist Church

The Chamber of Commerce and the people of Honey Grove have gone over the top in each of the seven War Laan Drives with every agency in the community co-operating. Too much credit cannot be given Jack Adamson, chairman, and his committee who have worked so faithfully on these drives.

The Red Cross under the leadership of its chairman, Frank Welch, has also gone over the top in all of its drives. The ladies have made countless bandages and other articles called for in this department. All of the citizens have donated the extra money and packages necessary to carry on this work. Honey Grove's Red Cross work in the hospital at Camp Maxey is sponsored by the Elizabeth Crockett Chapter of the W.I.V.E.S.

The Scrap Drives organized by the Boy Scouts have been successful in gathering thousands of pounds of paper, iron, tin cans, and other things needed to bring Victory nearer.

The Drive for Old Clothes for the Needy in Europe directed by the Mayor, R. B. Self and the Postmaster, W. O. Cravens was a huge success. Thousands of pounds was gladly given for this cause.

The school children have purchased War Stamps regularly and the schools have co-operated in every Drive to help win the war.

Iack Self,
President Chamber of Commerce

THE FANNIN COUNTY SOLDIER

I was born in Fannin County Several years ago, And of all the lovely places It is the best I know.

I've been to New York City
To Chicago and St. Paul
To other towns and counties
But Fannin's best of all.

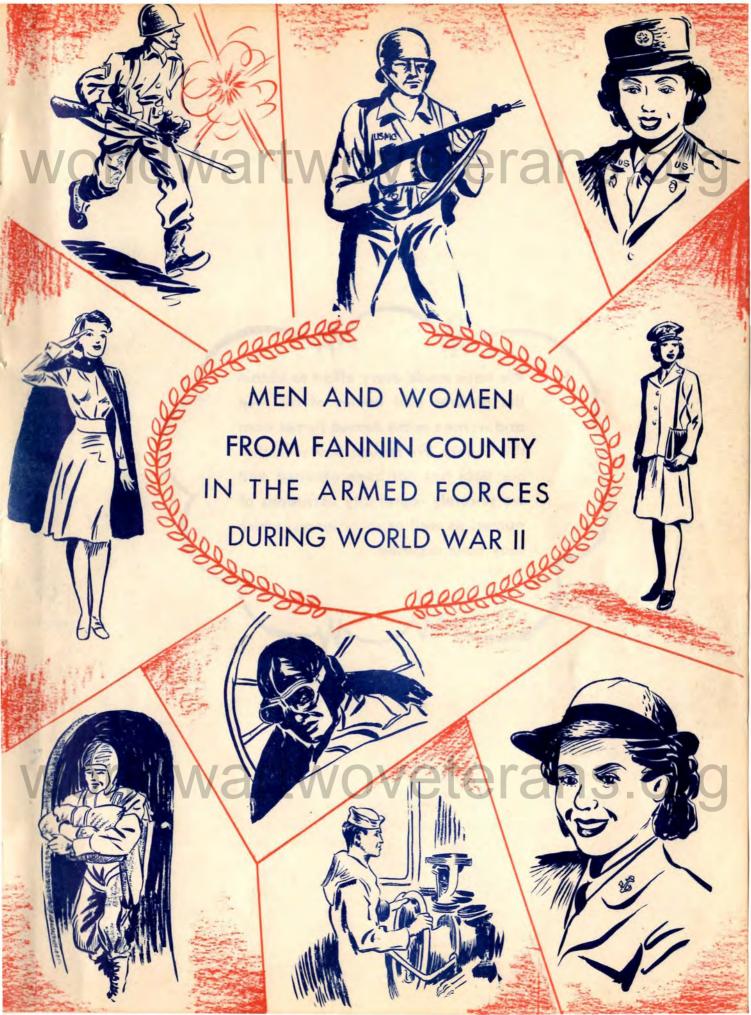

I went across the waters
To fight for the U. S. A., and
The happiest time of my life
Was wen I came home to stay.

I love its kindly people
More than words can tell
I love its towns and fertile lands
It is the place to dwell.

Now, I may go to San Antonio To Dallas or Ft. Worth But I will come back to Fannin The grandest place on earth.

Congratulations to you Fannin County men and women. You have done your part. Your patriotism and bravery have challenged the admiration and devotion of us all. Best wishes to every one of you.

Sam Rayburn, United States Congressman, Fourth Congressional District and Speaker of the House

worldwartwoveterans.org

We have made every effort to obtain the pictures and names of all men and women in the Armed Forces from this County. We realize, however, that our goal has not been attained and we sincerely regret any exclusions of names, as well as other errors, which may have occurred.
