The Chas P. Rankin Post No. 195, American Legion, is grateful for the opportunity of sponsoring a book which is dedicated to the memory of those who served their country during World War II. The purpose of this book is to honor those who made the Supreme Sacrifice while serving their country and to preserve the record of those who have returned to us after having brought this worldwide conflict to Victory for the Allied cause.

Every relative and friend of these World War II Veterans, together with the citizens of Rusk County, after reading the record of these gallant young men and women should feel a greater appreciation of their sacrifices.

Thru this book future generations will have a historical record of the contributions which these brave boys and girls have made in perpetuating Justice, Freedom and the Principles of Good Government. Posterity will be inspired by its contents.
