worldwartwoveterans.org

The American Legion and Auxiliary are grateful for the opportunity of sponsoring a book which is dedicated to the memory of those who served their country during World War II. The purpose of this book is to honor those who made the supreme sacrifice while serving their country and to preserve the record of those who brought this worldwide conflict to Victory.

Every relative and friend of these World War II veterans, together with every citizen of Smith County, after reading the record of these gallant young men and women, should feel a greater appreciation of their many sacrifices.

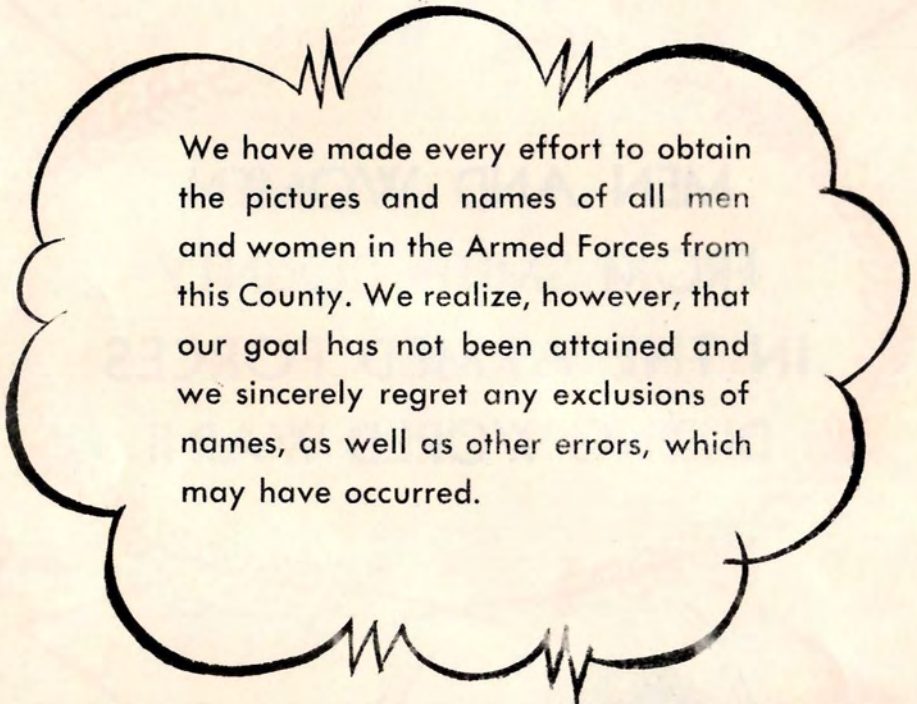

Through this book future generations will have a historical record of the contributions which these brave heroes have made in perpetuating justice, freedom, and the principles of good government. Posterity will be inspired by its contents.
