With the highest esteem do we of Mt. Pleasant recognize and respect the boys and girls of Titus County, who have served so faithfully and victoriously in the Armed Services. The people of Titus County have been most willing in cooperating with every activity which aided the war effort.

It would not be fair to the many volunteer workers to name a few who accepted the Chairmanships of the various drives. Everyone in our county, with few exceptions, served in any capacity which was asked of them. Every drive of every nature was carried over the top with some excess. Every teacher in the county cooperated one hundred percent as well as the Community leaders in the County, in Mt. Pleasant, Talco, Winfield and Cookville.

The people who assumed the responsibility of leadership as Chairmen in the County-wide activities did a wonderful job, but they are too numerous to mention their names here.

We salute you—

Ben L. Patric, President,
Mt. Pleasant Chamber of Commerce.

GREETINGS FROM THE AMERICAN LEGION TO ALL VETERANS OF WORLD WAR II FROM TITUS COUNTY:

"The war drums throb no longer and the battle flags are furled," and you veterans of World War II, who survived this terrible holocaust, are now returning to assume your rightful place in the community and the homes which you left a long time ago. Words are feeble messengers from the heart to convey our thanks and humble gratitude for the contributions you have made. Although the cost has been faithful, yours was a wonderful privilege to render a genuine sacrifice and real service, not only for your community and your nation, but for all the world, and we thank you from the bottom of our hearts.

The American Legion takes this opportunity to welcome you back home and to pledge to you the best efforts of our organization and its membership to assist you and your families in establishing and procuring the rights and benefits to which you are entitled on account of the wonderful service you have rendered.

With deep humility we bow our heads in memory of those who did not come home but who sleep forever in foreign fields. May the words of our mouths and the meditations of our hearts continually cry out to us and to all the people, "That these honored dead may not have died in vain."

TITUS COUNTY PUBLIC SCHOOLS

The schools of Titus County, with their splendid faculty and student body, have carried on loyally during the war.

Thousands of our graduates have been in uniform in all branches of the service and our boys and girls have participated in every scrap drive, the sale of Bonds and Stamps, knitting and in all ways in which they could help in the war effort.

The Boy Scouts have consistently rendered a most valuable super service in responding to calls of every kind and it is a pleasure to pay a special tribute to their effort and help.
