In behalf of the Post, I wish to extend to every veteran within its jurisdiction an invitation to join and become an active member.

We are thankful beyond measure of words that the recent conflict on the battlefields is over. The great bulk of our virile population is now made up of men who saw service in one or the other of the World Wars. As a consequence there can be no conflict between the welfare of returned veterans and that of the community at large. It is in that thought that we must now become the woof and fabric of the country's economic, social, political and religious life for the next generation.

Sincerely yours,

Glenn R. Lewis

TOM GREEN COUNTY

The Disabled American Veterans commend each and every one who have served in World War Number II and who have done a great job for Democracy. Their services shall not be forgotten. To those who have gone to meet the Supreme Commander, may their loved ones find comfort in the knowledge that they gave their lives for their Country.

We are mighty proud of the boys whose pictures are contained in this book, also for the services they have given us all.

I assure all veterans that we will not let you down in after years and shall always remember the service you have performed.

Sincerely,

C. H. Hughes

Commander of D. A. V.

FORT CONCHO POST NO. 1815
VETERANS OF FOREIGN WARS
OF
THE UNITED STATES
FOUNDED 1899

SAN ANGELO, TEXAS

Dear Comrades:

As a Post Commander, I take this occasion to welcome all of our World War No. II veterans home and to your place in civil life. You have won the battles of war and have returned to scenes of your childhood, suddenly matured and ready to take your place in the community in a country that is yours.

As an organization, we strive to help win the peace that follows war and to make these United States a better place for us all to live, and we shall expect you as the coming leaders of community and nation to help us work to that end.

We welcome all of you that have had service outside the continental limits of the United States, in any branch of the Armed Forces to join the local post of the Veterans of Foreign Wars of the United States.

Yours in comradeship,

H.I. Muckleroy
