THE LOST BATTALION PARADE Wichita Falls, Texas

The Texas National Guard was mobilized in 1940. The 2nd Battalion, 131st Field Artillery, was a part of the 36th Division; trained at Camp Bowie, Texas. In November, 1941, it was detached from the 36th Division and started on its way to the Philippine Islands under secret orders. When it left Texas, two units, Battery D. and Headquarters Battery were from Wichita Falls, Texas and filled with Wichita County men. This Battalion left the United States November 21, 1941. It was seven days out of Pearl Harbor when the Japanese made their treacherous attack.

Re-routed this band of men, mostly Texans, spent that Christmas in Australia. January found them ordered to Java of the Netherlands East Indies. At Camp Singasara, near Malang, their mission was to protect the operations of the remnants of the 19th Bombardment Squadron, which had managed to survive the debacle of the Philippine Islands and had pulled back to this air field. About twelve bombers had found refuge here. The 2nd Battalion was to keep these planes flying and to give them ground protection. February 27, 1942, the Japanese landed in full force on this island and shortly thereafter the 2nd Battalion, 131st Field Artillery contacted them, and thus became the first American troops to see action on foreign soil in World War No. II.

May 18, 1946

To the Men and Women of the Armed Forces from Wichita Co.

As Commander of Pat Carrigan Post 120 American Legion, I bring you greetings from the entire membership of the post and extend our appreciation of a big job well done.

We backed you up here at home the best we could and we want to assure you that the American Legion is and will always be at the front in the battle for the rights of the Veteran. The American Legion stands guard over the priceless Liberties of America. It holds that might has no place under our form of Government, at the same time standing ready to give its support to orderly lawful progress.

Each American should do his part to maintain a free America for the future, so that your sacrifices will not have been in vain. May we always keep hallowed in our memory those who have made the supreme sacrifice and always honor those whose good fortune it has been to return.

Sincerely yours,

J. B. Bird, Post Commander Pat Carrigan 120 American Legion June 1, 1946

TO ALL AMERICAN VETERANS OF FOREIGN WARS:

Wichita County and the Northwest Texas area had native sons " in the line" on fighting fronts wherever shells burst and bullets whizzed during the horrible war just ended. And in previous wars, too, —World War I and the Spanish-American War, we were carrying our colors on foreign soil.

Those of us who were privileged to serve our country overseas have a common bond and a mutual meeting ground in an organization composed in toto of men who have crossed the seas to fight for their freedom and that of the nation. That organization is the Veterans Of Foreign Wars.

The VFW exists because God has so willed that our battles be fought on soil other than our own. May our organization have as its supreme goal the preservation of the United States of America from the ravages of conflict. Not only that, but may the VFW wield such an influence in national affairs that it will never be necessary again for an American soilder to defend the freedom he has purchased so dearly already, on any front, either on foreign or native soil.

The peacetime job of the Veterans of Foreign Wars, the task it now faces, is the most vital one in the VFW's active history. To accomplish it—to make its contribution toward keeping America a bulwark for world peace—the VFW needs the loyal participation in its affairs of those whose service makes them eligible for affiliation.

We "oltimers" in VFW almost bust our vest buttons over the record of the "youngsters" in World War II. We are proud of your record in war. We want you to work with us in peace.

Gratefully.

Commander,

Idwest rtwo veterans.

The Electra Gold Star Post of the Veterans of Foreign Wars meets at the State Guard Building the First and Third Mondays of each month. We welcome the attendance of all over-seas veterans. We have an active post of over one hundred members, and are taking our part in community affairs. Our Service Officer, Mr. R. D. Cunningham, is vitally interested in the rights of Veterans, and the force of the National Organization is behind us when we present a Veterans claim.

We believe that the comradeship shared by those who faced the hardships and danger of battle did not cease with our discharge from the Armed Forces. That Comradeship still exists, and so I say to those of you who served over-seas, drop in and meet us—talk over our problems, and band together so that the ideals for which we fought will not be forgotten.

Respectfully,

John E. McKelney Post Commander
