TO WORLD WAR II VETERANS:

As Commander of Gray-Barr Post No. 414, I would like to take this occasion to invite all who served our Country honorably, regardless of location or branch of service, to become a full and active member of the American Legion.

The responsibility of protecting our country and preserving our American way of life was largely placed in your hands. You bravely accepted this responsibility and carried out your assignment to the best of your ability, regardless of the cost.

You won, and have returned to civilian life to take your place in the community, a little wiser, more mature, and with a deeper appreciation and a fuller understanding of freedom and life. Just as in winning the war the responsibility for the future of our Country will be largely yours.

All Legionaires are striving for both the betterment and protection of our Community, State, and Nation, and for the care and protection of all ex-service men and their families. We invite you to work with us toward these ends.

Sincerely yours,

Bernard Lunn, Commander
Gray-Barr Post of the
American Legion No. 414
Olney, Texas

THE AMERICAN LEGION

Ligon-Daniel Post No. 34
Department of Texas
GRAHAM, TEXAS

July 6, 1946

TO WORLD WAR II BUDDIES:

As a Post Commander, I take this opportunity to invite and welcome all who wore or are still wearing our Country's uniform with honor in World War II, to become full and active members of the American Legion.

When the Pearl Harbor insult became known and evaluated, we passed to you a large part of the responsibility of protecting our Country and our American way of life in a turbulent world of chaos and terror.

You won, and most of you have returned to civilian life, suddenly matured, ready to take your place in the community, while some are still wearing the uniform of our Country in all parts of the world to preserve the peace that you all fought so gallantly. As in the war emergency, the responsibility for the future of our country is largely yours.

All Legionaires are striving for both the betterment and protection of their Community, State and Nation, and for the care and protection of all ex-service men and their families. We invite you to work with us toward those ends; in fact, we are ready to pass the ball to you.

C. Bill Greene, Post Commander
Ligon Daniel Post No. 34

CLAYTON DUVALL POST NO. 3906
DEPARTMENT OF TEXAS
VETERANS OF FOREIGN WARS
OF THE UNITED STATES
OLNEY, TEXAS

To Oversea Service Men:

As a post commander of the Veterans of Foreign Wars, I take this opportunity to invite and welcome all who are eligible, regardless of branch of service, to become a full and active member of the V. F. W.

This is a debt we owe to our comrade who paid the supreme sacrifice, to the families and their children of our comrade. We won the war and have returned to take our respective places in our community. As in the war emergency, the responsibility for the future of the country is largely ours.

All veterans of Foreign Wars are striving for the betterment and protection of their community, State and Nation, and for the benefit of all ex-service men and their families. We invite you to work with us toward these ends.

The Veterans County Service Office is grateful for the opportunity of sponsoring a book which is dedicated to the memory of those who served their country during World War II. The purpose of this book is to honor those who made the supreme sacrifice while serving their country and to preserve the record of those who brought this world-wide conflict to Victory.

Every relative and friend of these World War II veterans, together with every citizen of Young County, after reading the record of these gallant young men and women, should feel a greater appreciation of their many sacrifices.

Through this book future generations will have a historical record of the contributions which these brave heroes have made in perpetuation justice, freedom, and the principles of good government. Posterity will be inspired by its contents.
