We have endeavored to obtain the names of those who have been killed in action and regret any exclusions.

We have made every effort to obtain the pictures and names of all men and women in the Armed Forces from this County. We realize, however, that our goal has not been attained and we sincerely regret any exclusions of names, as well as other errors, which may have occurred.

DEPARTMENT OF TEXAS
FORT BEND COUNTY POST 271
AMERICAN LEGION

ROSENBERG, TEXAS

Hi Buddies:

Let's not forget the fellow we played cards with one night and buried the next. He died for a cause. So many of them died without the least idea of what it was all about. Sure, there had been a lot of talk about the four freedoms, and preservation of civilization - but that kind of talk was for diplomats and the leaders of nations.

We are now face to face with what we fought the Jap and German for - the opportunity to decide the fate of our own lives and our own country. It's up to us which road we wish to travel.

In this country, the majority does rule, if it so chooses to rule. Idle complacency, stupid indifference to national affairs can only lead to rule by the few. Every American is born with a deep-seated desire to be independent in his own life, and these desires are protected for us in the first ten amendments to the Constitution, known as the Bill of Rights. This Bill of Rights, like all man-made contrivances, can be destroyed. To preserve it, we must be ever watchful and interested.

This nation is richly endowed in resources of every kind, and our standard of living is the highest in the world - and we can yet have more. There is only one AMERICAN way to have more, and that is to WORK more. Any other view of this simple fact is not American.

That fellow fought and died for YOUR opportunity! He was an AMERICAN MAN!

Your Buddy,

Richard M. Knight

Commander
