Preserving in one volume the pictures of all the men and women from Johnson County who took part in World War II deserves our wholehearted commendation.

The experiences of the years following World War I taught us that we must have an organization constantly at work for laws and conditions needed for the common good of all.

C. E. DeLario Post, No. 50, of The American Legion recognizes its obligation to all those coming home from World War II and invites them to join in the making of plans and in carrying them out to the end that all of us may have our rightful heritages in the world of tomorrow.
