RESIDENCE
911 NORTH OAK
AVENUE

October 12, 1946

The Veteran's County Service Officer is grateful for the opportunity of endorsing a book which is dedicated to the memory of those who served their country during World War II. The purpose of this book is to honor those who made the supreme sacrifice while serving their country and to preserve the record of those who brought this world-wide conflict to victory.

Every relative and friend of these World War II veterans, together with every citizen of Palo Pinto County, after reading the record of these gallant young men and women, should feel a greater appreciation of their many sacrifices.

The information contained in this book, may well be of untold value to veteran, widow and dependent children in claims for benefits from the Federal Government in the years to come.

Through this book future generations will have a historical record of the contributions which these brave heroes from Palo Pinto County, have made in perpetuation, justice, freedom, and the principles of good government. Posterity will be inspired by its contents.

STRAWN - MINGUS POST No. 497
Strawn, Texas

TO WORLD WAR II BUDDIES:

As Post Commander of Strawn - Mingus Post No. 497, I take this occasion to welcome all who wore our Country's uniform with honor in World War II, regardless of branch of service, to become active members of the American Legion.

Long before the Pearl Harbor insult, the Legion believed you would have to assume the responsibility of protecting our country and our way of life in a World of Conflict. You won the conflict, and have returned home, suddenly matured, ready to take your place in the community as a citizen. The responsibility for the future of our country is largely yours. Guard well the sanctity of home and Country and free institutions.

The American Legion cherished four great principles: Justice, Freedom, Democracy and Loyalty. Its pledge is service to the disabled, the distressed, the widowed and the orphaned. The cause of service to community, state and nation is jealously guarded and opportunity to serve is offered to all its members.

Sincerely,

A. D. Crawford
