ROBERTSON COUNTY

The Brazos Valley Post, Veterans of Foreign Wars considers it a privilege and an honor to represent Robertson County in this Veterans' organization.

When the time came to serve our country, Robertson County men hastened into all branches of the service.

They performed their work well in all theatres of the war and brought praise and credit to this county by so doing.

This post is dedicated to the service of all veterans who served outside the continental limits of the United States. To all veterans of the county, we salute you and stand ready to be of help to you at all times.

of

WORLD WAR II

It is with a sense of pride that we service men think back over World War II. I believe I express the feeling of the majority in saying, "I am proud to have had the opportunity of serving my country in the time of her greatest need and in helping to defend those principles upon which our forefathers built this great nation of ours."

We have the greatest reverence for those who paid the supreme price by giving their lives that this country might remain as our forefathers intended it. If we all work together for the common good, they will not have died in vain.

I wish to take this opportunity of expressing my sincere thanks to the people on the home front for the loyal support they gave the fighting men.

## THE AMERICAN LEGION

Miles Scriviner Post 454  
HEARNE, TEXAS

### TO MY BUDDIES OF WORLD WAR II:

The American Legion was organized by our fathers and brothers of World War I, in an effort to secure our future because they realized VICTORY on the battle field alone was not enough.

Regardless of the price each of us paid for Victory in World War II, we find some of our buddies paid a little more, leaving you and me to assume new duties of promoting our Community, State, and Nation, and of protecting and maintaining our future Liberty, Freedom, and Justice.

You performed your duties during the war with courage and honor, regardless of how insignificant they appeared; now, let us accept the invitation to become Legionairs and promote and carry on the program to protect our posterity. Victory is not complete just because we are permitted to lay our guns to one side. We have a big job ahead of us yet.

### PEACE

There is no peace, on this vile earth;-  
No rest for man, from time of birth.  
The only peace, is Faith in God,  
That we may rest in cold clay sod,  
Until He comes, and takes our hand,  
To lead us on, to a Peaceful Land.
