Dear Comrades:

The troubled years of war have passed and we have once again resumed our place at home. As the years go by, our memories will gradually fade. This volume will be a rare treasure not only to each and every Veteran, but to every family who had men and women in the service. It is a lasting tribute to the memory of everyone who so valiantly served his country.

I am proud to endorse this book for I am sure it will be cherished by every Midland County citizen.

Yours sincerely,

J. Patrick H. McMullen, Jr.

MEN AND WOMEN
IN THE ARMED FORCES
DURING WORLD WAR II

worldwartwoveterans.org

We have made every effort to obtain the pictures and names of all men and women in the Armed Forces from this County. We realize, however, that our goal has not been attained and we sincerely regret any exclusions of names, as well as other errors, which may have occurred.

The Negroes have made valuable contributions to all of the war activities. Although the write-ups and pictures for only a few are contained in this book, there were several hundred men and women in the Armed Forces and they have served in all parts of the world.
