**PRESCOTT BUSINESS & PROFESSIONAL  
WOMEN'S CLUB**

**PRESCOTT, ARKANSAS**

The Prescott Business and Professional Women's Club was organized in September 1944 with fifty-four charter members.

Every effort has been made since that time to cooperate and assist in worthwhile projects. We have met our quota for each war bond drive. We are interested in post-war planning and requested Governor Laney to outline Post-War Planning for Arkansas which he did in an address. We have cooperated with every movement to further your interest.

It was with this purpose in mind that this Club decided to sponsor the compiling of a Service Men's and Women's Book of World War II. We hope that this memorial will be a joy and constant reminder of the invaluable service of service men.

## MESSAGE FROM LEGION COMMANDER

### Sam B. Hooker Post No. 51 AMERICAN LEGION

PRESCOTT, ARKANSAS

Now that the Wars are over and your sons, daughters, brothers, sisters, and sweethearts who fought so bravely in this great struggle are returning home we of the AMERICAN LEGION welcome them and look forward to joining with them in a united effort to preserve the Peace throughout the world in the years to come.

To those who made the supreme sacrifice, we, the living, owe the responsibility of taking up the torch of Freedom and going forward with the determination that we shall for always safeguard that which they bought at so great a cost: to those who have suffered wounds and disabilities we hold the responsibility of helping bind up those wounds and seeing that the future is as bright for them as it is possible to be.

To the widows and orphans we owe a future that will bring them as much opportunity as they might have had if this terrible war cloud had not swept across their path.

The AMERICAN LEGION will blaze the path for these things which make for us a better future and we ask the support of all Freedom-loving people of this great land. With God's help we shall go forward toward this goal we have all placed before us. Once we could only see this goal dimly; now each day it glows brighter and brighter. It is for us to see that it never grows dim again. That goal is LASTING PEACE!

DALE N. LEDBETTER,  
Commander  
The American Legion  
Sam B. Hooker Post No. 51.

## PRESCOTT AND NEVADA COUNTY

By R. P. HAMBY

Mayor of Prescott

The 63rd county organized in Arkansas, Nevada, was created by an act of the Legislature March 20, 1871 and was carved out of Hempstead, Ouachita and Columbia counties. The county was named for the state of the same name which is Spanish and means "snow-covered." The county has an area of 620 square miles and is 47th in size of the counties of the state. Under an Act of 1873 six sections of land in Township 15 were ceded back to Columbia county. Mt. Moriah was designated temporary county seat and the first term of county court was held there in a church May 8, 1871. On May 29, 1938 a tablet marking the site of the first county seat was erected. Commissioners appointed by Acting Governor Ozra D. Hadley designated the site of the present town of Rosston as the permanent county seat and the first term of county court was held there November 13, 1871. The town of Rosston was named for Henry Ross, donor of the site. Following an election the county seat was removed to Prescott in 1877 and the first term of Circuit Court was held in the Methodist church there December 10, 1877. Prescott was laid out as a town

on the Cairo & Fulton Railroad (now the Missouri Pacific) in 1873.

The 1880 population of the county was 12,959 and in 1940 was 19,869, that of Prescott in 1880 was 1,253 and in 1940 3,177. The western boundary of the county is 35 miles in length and the eastern 22 miles, while the width is 21 miles. The average elevation is 300 feet above sea level. The first court house at Prescott was erected in 1884 at a cost of \$12,350.00 and was replaced in 1911 by the present structure at a cost of \$45,070.00. The present county jail was erected in 1926 at a cost of \$39,000.00. The first county officers, appointed by the Governor, were: County Judge D. C. Tuttle; County Clerk A. B. Parsons; Sheriff J. S. Vandergriff; Treasurer T. W. Hammon; Coroner Samuel Weaver; Surveyor W. H. Prescott; Tax Assessor John Meeks. The present officers are: County Judge Brad Bright; County Clerk Brad Dewoody; Circuit Clerk C. C. Mitchell; Sheriff Curtis D. Ward; Treasurer Dallis Atkins; Coroner J. D. Cornish; Surveyor H. L. Lavender; Tax Assessor W. E. Barlow.

To these, and all those patriotic men, women and children, the Nevada County Chapter, American Red Cross is greatly indebted for its splendid achievements and it is regretted that every name of these loyal workers could not be called.

## **SCHOOLS IN WAR**

**By BASIL H. MUNN**  
**County Supervisor**

From the first draft registration day October 14, 1940 to V-J day 1945, the schools of Nevada County, quietly and unobtrusively mobilized for the defense of the nation.

Long before Pearl Harbor was attacked, the schools proved to be a readily available medium through which all classes in the most remote parts of the county could be quickly reached. In addition to gearing their curriculum to wartime needs; the subsequent draft registrations conducted by the schools; the wartime and morale building information disseminated by them; the registration and distribution to every individual of three separate War Ration Books; the many scrap drives conducted; the compilation of draftee's school records for military authorities; the bond and savings drives conducted by school districts, all provided the schools with welcomed opportunities for patriotic service, which they proudly performed.
