**ATHENS, TEXAS**

TO THE MEN AND WOMEN OF WORLD WAR II.

It is to you--those who have been chosen to serve and those who have answered the call voluntarily--that we owe a debt of gratitude that can never be repaid. Without your devotion to duty and your sacrifices of blood and toil, we would to-day be bound in the chains of slavery, instead of a nation of free, liberty loving people. Only a great nation such as ours, with our many branches of service, each made up of the flower of our youth, who so willingly cast aside all thought of self and took up the arms of battle, could be victorious in the battle for right against might.

We trust that the veterans of this war will become the buddies of the veterans of World War I, in order that we, who have a common cause, may band together for the common good of all.

May the youth that comes after you, ever hold sacred the ideals and the examples of courage and faithfulness to duty that you have shown in your many sacrifices for the honor of mankind. It is our earnest hope and prayer that they shall not be called upon to follow in the paths that you have so nobly trod for them.

Sincerely yours,

Joel H. Lusk, Adjutant  
Brady Shelton Post No. 173  
County Service Officer,  
Henderson County, Texas

ATHENS. TEXAS

GREETINGS TO THE GI'S FROM  
HENDERSON COUNTY:

As Post Commander of Brady Shelton Post 173 of the American Legion, I want to compliment you boys and girls for the wonderful job you have done while members of the Armed Forces of the United States. Whether you served on foreign soil or here in the States, you have each done your job in a manner that has made all of us here at home, proud of you and the country that you represent.

To you whose names and pictures appear on the pages of this book, and to the many hundreds that do not appear here, let me say that Henderson County will not forget the job that you have done and the sacrifices that you have made. Many will not return, and to the loved ones of those boys, let me say that we of Brady Shelton Post, extend to you our most sincere sympathy. We are not unmindful of the sacrifices that you have made.

I know that each of you will cherish this book, and in the years to come, it will serve as a reminder of the price that was paid that we might continue to enjoy the privileges of this free land of ours. Again, let me say that Henderson County is proud of you, it can never repay you for the hardships and the sacrifices, and it's citizens shall, through the years, continue to be grateful for the service that you have rendered to our country.

As your Buddy in this World War, and as Commander of Brady Shelton Post 173, I pledge you the support of the American Legion.

Sincerely,

*Bob Warren*

DURING WORLD WAR II

We have made every effort to obtain the pictures and names of all men and women in the Armed Forces from this County. We realize, however, that our goal has not been attained and we sincerely regret any exclusions of names, as well as other errors, which may have occurred.

## HENDERSON COUNTY NEGROES CONTRIBUTED TO THE WAR EFFORT

During World War II several hundred negroes of Henderson County were either drafted or volunteered their services in the United States Army. Three girls of color represented their group as volunteers in the Women's Army Auxiliary Corps.

These colored soldiers served not only in every theater of war but in almost every branch of service. Many of these boys served as noncommissioned officers while others were awarded medals for good conduct, sharpshooters and expert riflemen. Several have been awarded the purple heart and one boy made the supreme sacrifice for his country.
