THE NEGRO BOYS IN SERVICE

It is with a deep sense of gratitude and respect that we, the Negro citizens of Kiowa County and Southwest Oklahoma, dedicate this section of a very splendid and worthy book. The various churches in the Negro section of Hobart purchased a beautiful Scroll upon which is listed:

"The Negro Boys in Kiowa County". The scroll is now hanging in the principal's office of Dunbar School. The complete list of fellows follows. We are indeed sorry that we are unable to furnish a complete service record for each man because of the rapid rate of discharges and the many new places of residence.

Boys, you did a splendid job over there. Let's do a better job here at home through the agencies of thrift, courtesy, and citizenship.
