Wray-McKinstry Post No. 13
The American Legion
Canon City, Colorado

Office of Adjutant

GREETINGS TO ALL YOU
GI BOYS AND GIRLS
FROM FREMONT COUNTY;

As Post Commander of the Wray-McKinstry Post No. 13 of the American Legion, my hat is off to each of you for the swell job you have done while in the Armed Forces of your Country in World War II. Whether you served on foreign soil or here at home, you have done a wonderful job-you have made the U.S.A., Colorado, and Fremont County the great place it is to live in. We GI's of World War I have been with you in spirit and have longed to have been in there fighting by your sides, but Father Time put our power down, we do assure you that we have done everything in our power to back you here on the Home Front by oversubscribing to the smallest scrap paper drive to the largest Bond Drive. We realize fully that the going has been tough; but, with the backbone and determination to win, you have upheld the loyalty and heroism that Fremont County Folks always have had in an emergency.

Even though you have suffered untold hardships and have been separated from your friends and loved ones, you are going to be justly proud that you had a part in keeping this Nation of ours "The Land of the Free and the Home of the Brave." We buddies of World War I remember the GI Bill of Rights, we hope and pray that we have made it possible for you to return to your old job or a better one; or to complete that college course you have been denied. We want you to ask for these rights and privileges-and we will back you to the limit in getting what you so justly deserve.

To you whose names and pictures appear on the following pages, let me assure you that you have made history for Fremont County, and we are justly proud of each of you. I know you will be proud of your record; and, as the years roll by, what a thrill you will get from turning through the pages and seeing your old buddies of World War II days. What memories it will bring back to you-and how you will cherish them! When the One Great Scorer comes to write against your name, He writes not that you won-but how you played the game.

Sincerely,
Harold B. Munson
Harold B. Munson, Post Commander
Wray-McKinstry Post, American Legion

Thank God I Am An American

GREETINGS:

TO THE MEN AND WOMEN WHO SO GALLANTLY
SERVED OUR COUNTRY IN THIS MOST TERRIBLE OF ALL CONFLICTS:
As I undertake to greet you for the job so well done, I
find words are so shallow and inadequate for the purpose.

I also fully realize that none of you are seeking individual recognition, and that you have the satisfaction of knowing that you have done your part and done it well and are now asking for no more than a place in the society you are returning to.

But as Commander of Miller-Kitto Post No. 25, American Legion, Florence, Colorado, I don't feel like I can let the opportunity pass to tell you we, as members of the American Legion, are more than proud of the way you have handled this job and that we stand ready to a man to do what we can for you and yours as you return to your home communities.

Sincerely yours,

Cecil Stainbrook, Commander

TO ALL WORLD WAR II SERVICE MEN AND WOMEN:

During the dark years of the war all the citizens of Fremont County were united in support of the armed forces of our country. Now that peace has come and we still enjoy the blessings of liberty, we express our everlasting gratitude to the men who served and made victory possible.

Our finest men went into the service, and many gave their lives that this country and civilization might be saved from the power of the most ruthless tyrants the world has ever known. Those sacrifices were not made in vain, and the memories of those who died, as well as all other men who served, will always be cherished in the hearts and minds of a grateful people.

It is the prayer of Christian people everywhere that the nations of the world lay aside hatred and selfishness and work together so that war, with all its useless suffering and waste, will never again be known.

SOMEBODY'S MOTHER

THE woman was old and ragged and gray,
And bent with the chill of the winter's day.

The street was wet with a recent snow,
And the woman's feet were aged and slow.

She stood at the crossing, and waited long,
Alone, uncared for, amid the throng.

Of human beings who passed her by,
Nor heeded the glance of her anxious eye.

Proud that his own were firm and strong,

Then back again to his friends he went,
His young heart happy and well content.

For all she's aged and poor and slow;

"And I hope some fellow will lend a hand
To help my mother, you understand.

"If ever she's poor and old and gray,
When her own dear boy is far away."

And "somebody's mother," bowed low her head
In her home that night, and the prayer she said
Was, "God be kind to the noble boy,
Who is somebody's son and pride and joy."

...he's a smooth talker, anyway.
"I think he's much more than that."
Dan thrust back his dark hair with a nervous hand. "Then why write? You
