GREETINGS TO ALL YOU GI BOYS AND GIRLS FROM STEPHENS COUNTY

As Port Commander of the Harry Dobbs Post 55 of the American Legion of Stephens County, my hat is off to each of you for the swell job you have done while in the Armed Forces of your Country in World War II. Whether you served on foreign soil or here at home you have done a wonderful job, and have made the U.S.A., Oklahoma and Stephens County the great place it is to live in. We GI's of World War I have been with you in spirit and have longed to have been in there fighting by your side but Father Time has put our ages where we would have been of very little help to you on the battle fields. But we do assure you that we did everything in our power to back you here on the Home Front by buying War Bonds, giving to the Red Cross and U.S.O. and donating to the various organizations that were organized to help make it as easy as possible for our World War II Buddies. We fully realized that the going was tough, but with the backbone and determination to win you have upheld the loyalty and heroism that Stephens County Folks have always had in any emergency.

Even though you have suffered untold hardships and have been separated from your friends and loved ones you should be justly proud that you had a part in keeping this Nation of ours "The Land of the Free and the Home of the Brave." We buddies of World War I remember the deal we received after we had completed that job and through the GI Bill of Rights, we hope and pray that we have made it possible for you to return to your old job or a better one, or to complete that college course that you have been denied. We want you to ask for these rights and privileges and we will back you to the limit in getting what you so justly deserve.

To you whose names and pictures appear on the following pages, let me assure you that you have made History for Stephens County and we are justly proud of each of you. I know you will be proud of your record and as the years roll by, I know what a thrill you will get in turning through the pages and seeing your old buddies of World War II days. What memories it will bring back to you and how you will cherish them, and when the One Great Scorer comes to write against your name, He writes not that you won or lost, but how you played the game.

EVALYNN SNOOK
COURT REPORTER

The citizens of Stephens County owe an everlasting debt of gratitude to those hundreds of brave men and women who served in the armed forces during this war. Because of their bravery and devotion to duty we remain a free people. May each of us do our part in the future in order that their sacrifice will not have been in vain.

C. C. Wilkinson,
County Judge
Stephens County, Oklahoma

County of Stephens
Department of Public Instruction
W. E. MONSEY, SUPERINTENDENT
DUNCAN, OKLAHOMA

The citizens of Stephens County, Oklahoma have put forth every effort to meet the quotas assigned to them in all Bond Drives, Red Cross Drives, U.S.O. and any other important war effort.

Our schools have encouraged regular and consistent buying of stamps and bonds. Many of our schools have shown their patriotism by the purchase of sufficient stamps to obtain a "Minute Men Flag" for their school.

Stephens County is proud of those hundreds of men who have served in the Armed Forces during the World War II. And may we always remember those who have made the supreme sacrifice with deep gratitude and respect and put forth a special effort in the future to lend a helpful hand to those returning to civilian life.

Empire Boy Was Somewhere in the Tropics at End

Roy Laverne Moore, 22, a Stephens county boy who enlisted in the Navy August 13, 1941, died aboard ship "somewhere in the tropics" on March 24.

His parents, Mr. and Mrs. John Moore, Comanche route 2, were notified by the Navy Department yesterday of their son's death.

Moore died after a sun stroke suffered while his ship was cruising in tropic waters. Because of the extreme heat burial at sea was necessary.

Memorial services will be held at the Fair Baptist Church at 2:30 p. m. Sunday. The family and friends will participate.

Moore spent most of his life in Stephens county. The family lives 5 miles south and 3½ miles west of Duncan.

Moore attended the Empire schools and was graduated from high school there last spring. He was employed, prior to enlisting in the Navy at Dallas, on a dairy in Cleveland county.

W. M. PHILLIPS, PRINCIPAL

DOUGLASS HIGH SCHOOL
P. O. BOX 9
DUNCAN, OKLAHOMA

The Negro Citizenship of Stephens County is proud of its participation in its war drives and the military record achieved by those of the group who were in service. There were some who saw service abroad and some of those were in actual combat. It is hoped that the contact with various nationalities and the combat hardships shared with fellow soldiers of America will go far in cementing home relationship and help make for us all a better world in which to live and build - even for those unborn.
