The Claude Bradley Unit No. 78 of the American Legion is proud of its servicemen who faced danger and death in order to preserve our way of life. May the peace they have won never be broken!

Since we are a service organization, our fervent wish is that, as far as is humanly possible, we may be able to help the returned veterans, their families and the families of those whose loved ones failed to return.

worldwartwoveterans.org

Toward the goal of LASTING PEACE the American Legion Auxiliary will bend its every effort, that our country may not again be embroiled in warfare.

This book is a permanent record of many of those who sacrificed much for us. We hope that you may keep it and gain much pleasure from it.

Sincerely,

Mrs. C. E. Leahy, President,
American Legion Auxiliary of the
Claude Bradley Post No. 78.

We welcome this opportunity to pay tribute to our honored dead and to express our appreciation and loyalty to all men in service who have given the best years of their lives and have cheerfully endured many hardships. We pledge our eternal loyalty. In the days of adjustment and reconversion we hope that we may be helpful in your change from war to peace.

We, the returned service men, welcome this opportunity to thank those who remained at home for all the services they rendered during this last great war. It is our hope that none may ever have to face war again, and to this end we pledge ourselves to do all that can be done.

MEN AND WOMEN
IN THE ARMED FORCES
DURING WORLD WAR II

worldwartwoveterans.org

We have made every effort to obtain the pictures and names of all men and women in the Armed Forces from this County. We realize, however, that our goal has not been attained and we sincerely regret any exclusions of names, as well as other errors, which may have occurred.

The Negroes have made valuable contributions to all of the war activities. Although the write-ups and pictures for only a few are contained in this book, there were several hundred men and women in the Armed Forces and they have served in all parts of the world.

MESSAGE FROM LEGION COMMANDER

Calhoun County Post No. 50

AMERICAN LEGION

Hampton, Arkansas

Now that the Wars are over and your sons, daughters, brothers, sisters, and sweet-hearts who fought so bravely in this great struggle are returning home we of the AMERICAN LEGION welcome them and look forward to joining with them in a united effort to preserve the Peace throughout the world in the years to come.

To those who made the supreme sacrifice, we, the living, owe the responsibility of taking up the torch of Freedom and going forward with the determination that we shall for always safeguard that which they bought at so great a cost: to those who have suffered wounds and disabilities we hold the responsibility of helping bind up those wounds and seeing that the future is as bright for them as it is possible to be.

To the widows and orphans we owe a future that will bring them as much opportunity as they might have had if this terrible war cloud had not swept across their path.

The AMERICAN LEGION will blaze the path for these things which make for us a better future and we ask the support of all Freedom-loving people of this great land. With God's help we shall go forward toward this goal we have all placed before us. Once we could only see this goal dimly; now each day it glows brighter and brighter. It is for us to see that it never grows dim again. That goal is LASTING PEACE!

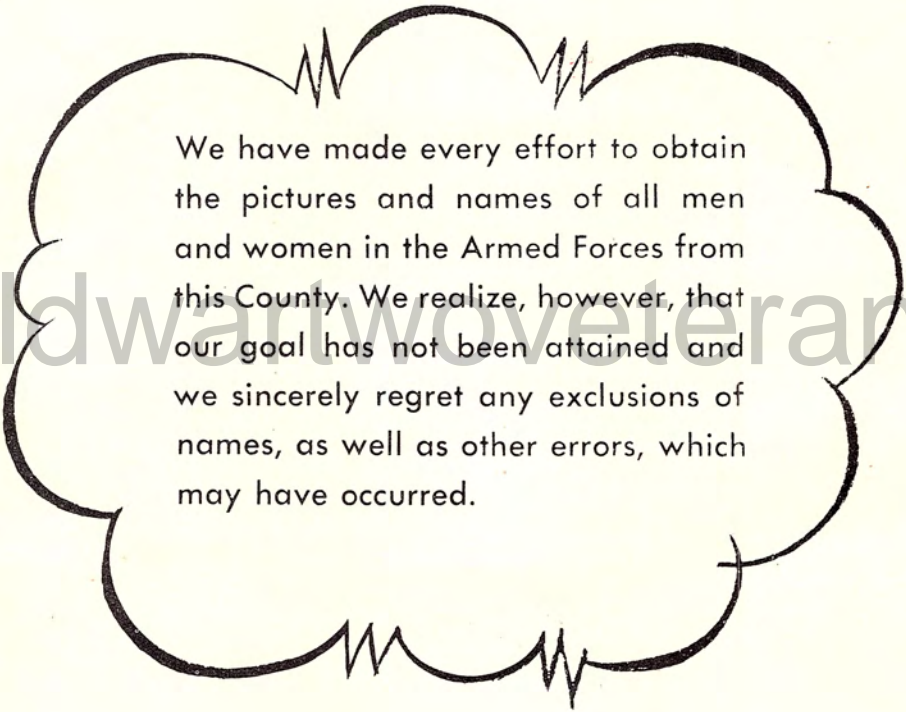

O. L. ATKINSON,
Commander,
The American Legion,

MEN AND WOMEN
IN THE ARMED FORCES
DURING WORLD WAR II

worldwartwoveterans.org

We have made every effort to obtain the pictures and names of all men and women in the Armed Forces from this County. We realize, however, that our goal has not been attained and we sincerely regret any exclusions of names, as well as other errors, which may have occurred.

The Negroes have made valuable contributions to all of the war activities. Although the write-ups and pictures for only a few are contained in this book, there were several hundred men and women in the Armed Forces and they have served in all parts of the world.
