63d Infantry Division Association, USAR

Dear Fellow Members:

It's been nearly fourteen years since the Division was inactivated, which in retrospect, we see as one of the early steps in the unilateral disarmament of our country.

Each year seems to bring issues and problems that are even more critical to the survival of our nation. It is encouraging however, to read that a majority of Americans favor military superiority over the Soviets and favor an increase in defense spending, if necessary, to regain such superiority.

We, as individual members of a pro-defense majority, must counter the activism of the anti-defense minority. We must become more active and more vocal, with more communication to our elected officials. Our membership in and support of organizations with objectives in consonance with ours, that speak out on critical issues, is another way in which our views can be made known to our elected legislators.

The 63D Division Association continues its surveillance and analysis of problems affecting the United States Armed Forces and where appropriate, communicates with political or military leaders. To assist in this effort, a Political Action Committee was formed to analyze and investigate issues affecting our military strength and to prepare factual informations on the issue for use by the Association and the membership in communicating with legislators our concern for a strong national defense posture.

While many of us have passed the age where we can serve our country in the armed forces, in the event of need, we can serve our country now by making our views known to our lawmakers.

Sincerely,

Stanley T. Hoversten

Board of Governors

The Board of Governors meets at least once each quarter to consider ways and means by which the Association might seek to further the objectives of the U S Army Reserve and to conduct such other business that might come before the Board.

BOARD OF GOVERNORS - Activities Report

In June 1978, LTC Stanley T. Hoversten was elected President of the Board of Governors for the year 1978-1979. Regular meetings of your Board have been held under his capable leadership. Many former members of the Board and members of the Association at-large, have attended such meetings.

Key items on the Agendas have been objective discussions of ways and means by which the Board and Association might further the goals of the Army Reserve Program.

Transfer of the Los Alamitos Naval Air Station to the California National Guard was accomplished in 1977. Concern of the Board centered about the subsequent operation and maintenance of the Los Alamitos Armed Forces Reserve Center and other installations in Southern California. Increased budget costs under new management of several reserve facilities were carefully considered.

The Board deliberated on ways and means by which there might be made available to the news media accurate and timely information concerning the status of the USAR and other reserve components. To this end and, acting upon recommendation of the Board, President Hoversten appointed a new Political Action Committee to analyze and evaluate the current issues by whatever means are appropriate that may come before the Board of Governors, and to prepare factual information and, where advisable, draft proposed comments and/or communications for use by the membership and others in contacting appropriate legislators at all levels in expressing concern and need for a strong national defense posture.

A special committee, under the chairmanship of BG Robert D. Upp, drafted a proposed revised Constitution and By-Laws of the Association. The Board subsequently approved the document to be submitted to the membership for approval and adoption.

In keeping with the current policy, former members of the Board of Governors have a standing invitation to participate in the regular meetings of the Board. Other Association members are invited to attend such meetings. It is to be noted that during the year many such individuals have attended and contributed to the meetings of the Board.

The Board of Governors appreciates the support of Association members and their continued interest and attendance at the annual dinner meetings, and the growing number of Life Members.

General Lyman Lemnitzer, former Chairman of the Joint Chiefs of Staff and Supreme Commander Allied Forces Europe is flanked by 2 world travelers, BG Evan "Curley" Hultman & CW4 Ernst H. Andreas of our association.

Back in 1964, Col Tom R. Gilliam was the announcer for the reviewing stand at Torrance's Armed Forces Day parade. Just before the big show began, Kirk Gilliam, the COL's youngest at 9 years of age poses with his pop in the proper starched uniform of the day (1) with a friend added to the photo by media folks. 2 of the trophies presented are shown by these young helpers.

From LTC Walter R. Maxwell, 5/19 Artillery Bn CO and Jean doing the writing, we went to the Hale Koa with Joni and Pat Pattinson and Pat got the room with the view. Walt is retired & waves to Jean from the 9th Fairway at San Clemente Golf Course each morning as she scurries off to work. Last daughter graduated, Phi Beta Kappa. From 4 kids, three grand kids, 6, 5 and 4. . . COL Charles J. McCleery, still the SAA at the 311th Support Brigade which is now designated to become a COSCOM in October. They bussed and hiked in Iceland in the spring of 78 and in the fall changed to camels, traveling in and about the cities and villages in Egypt, including temples and the pyramids. From dog sled to camels in a season is a hard act to follow, General. . .

WOODY AND ANDY, ABROAD.

LTC Durwood (Woody) D. Hicks and CW4 Ernst (Andy) H. Andreas went to Germany last fall to the CIOR Conference. At least, according to Andy, this is where this tale begins.

While staying at the U S Military HQ in Berlin, Woody became ill one morning, hollered to Andy that he was having a heart attack & promptly passed out. Andy called an ambulance and got him to the military hospital, a new facility right on the installation.

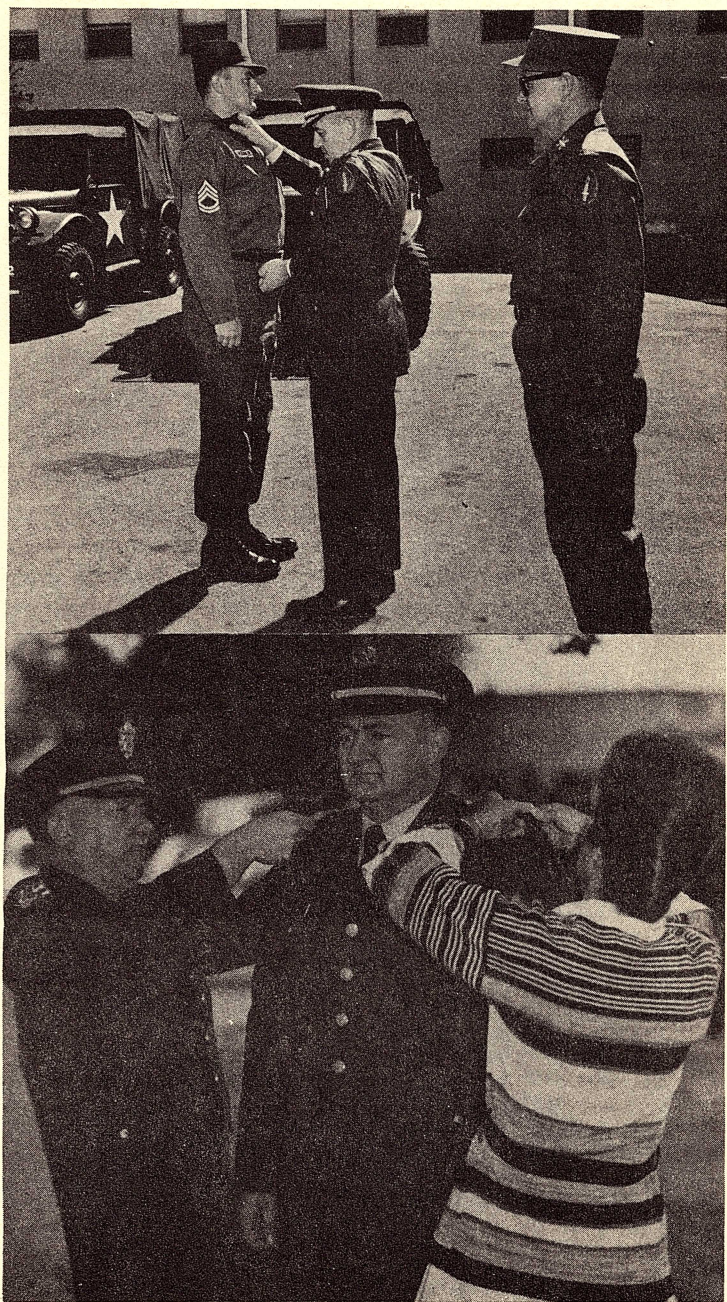

Andy said he didn't hear and no word from a soul at the hospital so decided to check on Woody to see if he was alive or dead. He was also wondering what to do with the body in case, according to Andy. Woody had no next of kin marked in his little black book. . . only girls were listed. Andy found Woody, a bit the worse for wear, tear and tests, on a stretcher, alive and well, and informed a bit before that his heart was OK.

Finally a Doc came in and told Wood to take it easy and not hog himself on that good or even bad, German bratwurst, sauerbraten, an wiener schnitzel plus schnapps. . . . Woody recovered the same afternoon and went with Andy in the evening to the Post Theater to see an "X" rated movie. . . . Knowing these two, probably another chapter in this ever-popular, never-ending suspense tale from the 63d Division personnel, out of sight..is on the way. . . .

MY FRIEND JOHN. . .

Not too many years ago, a big tall SP 4 appeared before my desk in San Bernardino, just as all newly assigned personnel would during the course of an evening drill. He was John Hakker, an ex-draftee, citizen of Holland and an obligated reservist. To add to his confusion, I was a newly appointed, powerful, 2d LT, ex-First Sergeant and had to chew him a little about his strange insignia and patch he was wearing.

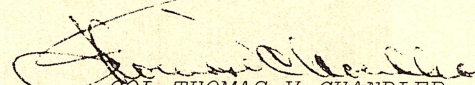

With all that and burying the hatchet a few times on some differences, we have become fellow soldiers in the same outfit in the past 23 years. He worked for me in a lot of difficult jobs and was encouraged a dozen times to apply for a warrant. Soon he was a new U S citizen and the application went in, the appointment returned. Pictures in this column say it all. BG Hall is at the San Bernardino center, between LTC Max

well and John, as the new WO bar is pinned on.

On April 5th, it was my pleasure to pin on his WO4 bars with the help of his lovely wife Dee at Los Alamitos AFRC where he is presently assigned with the 916th Field Depot.

As John would say, it has been a long time since I carried home printed sheets for the Dutch underground through German sentries in the occupation days of Holland. He was serving his country when he was 9. . . and still is. . . .

The term of office shall be one year.

SECTION 1. These by-laws may be amended at any meeting of the Board by affirmative vote of two-thirds of the members of the Board serving in office voting, after having been served a reasonable notice in advance of such meeting.

For some, no news is good news. For the 63d Infantry Division Association, again your editorial staff is asking for input for publication. Send us your old stuff so we can share it with our members and help to build our bank of material for a real good history. We will carefully do a real pro type copy job and return each item in perfect shape. No news means we just don't take time to let someone know
