

63rd Infantry Division Association

U S A R

Annual Report
2006

President's Message 2006

The 63rd Infantry Division Association USAR has thrived and flourished during this past year. We have recruited some new members from our descendant unit, the 63rd RRC. We have watched members of the 63rd go off to war in Iraq and Afghanistan. We have also mourned the loss of 9 members who died in the current conflict and the war against terrorism. We remember a fallen hero of the 63rd, SGT Witkowski, who earned the Silver Star, but paid the ultimate price while saving the lives of three other soldiers.

The 63rd, whether as an Infantry Division or as a large Regional Headquarters, RCC, will never be the same. The world has changed violently and forever. We as members must always look forward to what we can actively do for the troops of today and keep the members of the 63rd Infantry Division of WWII and USAR in our memories and prayers.

I have completed two years as the President of the 63rd and wish to thank all of you for your support. You will always be in my thoughts and prayers. I will also be retiring from my civilian job this year. I plan to spend the summer in Northern New Mexico with Mike at our Bed and Breakfast; our doors are always open to members of the military and especially the 63rd members. We will come back to sunny California in the winter.

I salute all of you and look forward to serving with you in the future.

2006 Annual Meeting

After brunch COL Michael Ewens introduced our guest speaker LTC Timothy Harris, USAF is the Operations Officer of the 729th Airlift Squadron, Air Force Reserve Command, which is located at March Air Reserve Base, California. He is a graduate of the U.S. Air Force Academy. He is a Command Pilot with over 5,500 flight hours. He

Has participated in Operations Desert Shield, Allied Force, "Free Willy" Deep Freeze Enduring Freedom and the current Iraqi Freedom. LTC Harris discussed the mission of the 729th AS which is to provide strategic and tactical airlift worldwide. He also covered in detail through a Power Point presentation the conversion from the C-141C Starlifter to the C-17A Globemaster III. The C-141 and the KC-135 aircraft are retired.

The C-17 is the backbone of the airlift capability of the USAF. They are a strategic heavy lift aircraft capable of carrying a payload of 157,000 lbs. They can carry a single M-1A Abrams tank and delivery it into the war zone. They can take off and land on a short field under 4000 feet. This means that they are capable of loading and landing in almost any theater of operation. The operations in Iraq and Afghanistan use this capability a great deal. The C-17 is also capable of in-flight refueling and airdrop techniques. He has flown missions in Afghanistan and Iraq. Some of these missions have been round trip from bases in Europe, which demonstrates the great capability of the C-17. He showed videos and slides on the C-17s great flexibility. It is a Global Direct Delivery Aircraft, a Rapid Outsized Strategic Airlift Aircraft (larger than the C-5), a Strategic Brigade Airdrop Aircraft and an excellent Night Operations Aircraft. He showed a dramatic video of a Night Operation drop at 30,000 feet over Afghanistan with the crew on oxygen and wearing night vision goggles. It was a dynamic view of cargo going out the back of the C-17 into the cold, black night at 30,000 feet to avoid any enemy air defense missiles.

The Eagle Award went this year to COL (CH) Donald Forden; COL Forden has been a dedicated member of our organization for many years. A life Membership Certificate was presented to LTC Wesley Blasjo.

MAJ Edward Bundick a member of the old WW II 63rd Division Association, Inc. gave a presentation on what their organization does and the yearly meeting. New business, SGM Eighmy presented a list of nominees for 2006-2007. COL Alfred Diaz was elected President and CSM Arnold Greenberg was elected as Vice President.

COL Michael Ewens and LTC Donald Wirth held the raffle. The meeting was adjourned at 1400 hours. All had a wonderful time.

Committee Reports

Membership: This past year, we gained 9 new members, and had a number of renewals. If you are not yet a life member, please consider becoming one. The cost is only fifty dollars, and the secretary would love to send a life membership card. As always, the effort to find and enroll new members continues. There are many eligible candidates out there, and all present members are asked to submit name of potential members to the membership committee.

CW4 Layland A. Carson, Chairman

Treasurer: For the calendar year 2005-2006, ending 24 April 2006, the balance in our bank account was \$5098.27. This is a slight improvement in finances over the past year. For example: the balance for April 2005 was \$4802.17. Our major expenses continue to be for publication and mailing. The cost of the Annual Report the past year was \$945.80. The cost of mailing correspondence and other reports was \$601.97. Our Memorial and sustaining funds totaled \$1455.00. One substantial contribution was \$500.00. A separate report detailing the financial results of the 40th Annual Meeting was published in the BLADE. An up to date financial report is distributed and voted on at each Board Meeting.

MAJ Raymond H. Edgerly, Treasurer

Publications: We continue to publish *The Blade* on a quarterly basis. We try with the limited space available, to inform the membership of the passing of our members, of the activities of the board of governors, and to present information on critical issues, as well as news of general interest. All members are welcome to submit articles for publications as space permits.

The Annual Report tries to summarize the past year's activities as well as provide the membership with a current roster of the members, recent photos and "Whooze Nuze" update on our member's doings and other interesting information. We maintain a mailing list of all active members and honorary members (~250 individuals) and a U.S. Postal Service Bulk mail permit.

LTC Donald L. Wirth

MG Ted Paulson reported that all is well with the Paulson's family. Good health and still active.

In December 2005, I finished my four years elected term as a trustee of the Palos Verde's Peninsula Library District. Pat and I decided that we wanted to do some traveling during the next couple of years, and I elected not to run for another four years.

We spent time during 2005 with General Bob Lane and his wife Lynette and General John Scott and wife Mary Alyce visiting and taking trips. We will all be taking trips together in 2006. The wives seem to put with Bob, John and myself when we begin to reminisce and tell wild war stories. We are lucky.

Pat and I will be taking a trip to the Baltic Area, Scandinavian countries and St. Petersburg, Russia on a combination cruise and car trip in mid 2006. During the trip Pat will be continuing her genealogical research on our German and Norwegian ancestors. I will see if I can find some interesting military collectibles to add to my hobby on military history.

Pat and I wish all our 63rd friends a great 2006.

Rear Admiral Bud S. Sparks stated that I have been retired for twelve years after fifty years of Coast Guard Service. I recently lost my #6 child, daughter, Staff Sgt Donna Sparks, #3 son, Petty Officer Richard Sparks, and in October 2005 I lost my wife, a WAC of WWII, Betty Sparks.

Still chugging along as an Octogenarian. I have just been a delegate to the ROA Mid-Winter Convention in February 2006.

I can't make the 40th Annual Sunday brunch, but send my regards to my Army Shipmates.

MAJ Ray Edgerly reported that he and his wife, Dorthea, have completed and published another 430-page book on genealogy. They donate copies of their books to various libraries throughout the U.S. This makes their 14th publication. Dorthea received a "write up" in the local Oceanside paper for her genealogical publications and the work she has done with the Georgiana Cole Library in

Carlsbad.

Both Ray and Dorthea are busy writing autobiographies for their grandchildren. As Ray no longer drives the freeways, our travel has been limited to attending the 63rd Association Meetings and spending a few days at our favorite spa, "La Casa Del Zorro" in Borrego Springs. Ray achieved Emeritus status this year and is still fulfilling the role as treasurer of the Association.

COL Jan C. Menning, PHD, wanted to relate this to everyone. We are still enjoying good health and retirement. 2005 was a busy year traveling to St Louis and fishing in Wisconsin, Missouri and California. Travels to Mexico and Canada included fishing and hiking.

Retirement is not over rated.

MG Robert A. Lame related the following; I regret that I will not attend the Annual on 23 April due to family activities in San Luis Obispo. Had a great year. Started with a raft trip on the San Juan River with MG and Mrs. John Scott and a vacation in the Durango, CO. area included MG and Mrs. Ted Paulson in May 05; a family reunion at our Pine Mountain Club, CA. home in June; A great RV fall trip in Southern Utah and Colorado with old friends. Going to Lamar, CO. for my 50th High School reunion in October to find out how old all my classmates had gotten.

Attending the 311th and 63rd change of Command and capping it off with a Western Mediterranean and trans- Atlantic cruise in November. Winter found us at our Mesquite, Nevada, home basking in warm weather and definitely enjoying life as I filled out my tax returns without having to be concerned with the California Franchise tax board.

Best wishes to all for a super 2006 Annual meeting and I'll try hard to be there in 2007.

COL Terry Lee Stacy stated that he is still working at Ability Services Network in Duluth, GA. He said that by his last count, he had five children in the Military, plus two grandchildren in the service. The year 2005 was very successful for the family and me.

in Mesa and our dance friends there.

I have spent another year on the Board of Governors of the 63^d Infantry Division Association serving as Secretary, newsletter editor and Webmaster for our Web Site. (www.63rdinfdivusar.com) I have had a bout with allergies this year. I'm just getting better now after seeing doctors in both CA. and AZ.

I am looking forward to seeing everybody at our 40th Annual reunion.

LTC G.A. Romandy said that he is still working for GVA Daum Commercial Real Estate. I am working five days per week, but by my own hours and schedule, no time clock. I am selling industrial real estate in Southern CA.

My wife and I are enjoying reasonably good health and grandchildren. We recently acquired a motor home. We are planning to do a little cruising.

I sure wish more of the old gang from the 6220th FT. Mac. USAR School faculty and staff would participate in our get together. They all seem to have disappeared into "The Wild Blue Yonder".

COL Alfred M. Diaz our newly elected President of our Association related that he is retired, but that he is still working for our Association. He further related that as a military and civilian retiree, I am now able to devote much of my time to ensuring "a military policy for the United States that will provide adequate national security." The words in quotation marks are from the Congressional charter of the Reserve Officers Association of the United State (ROA). An organization in which I remain extremely active as a way of continuing to support the Armed Forces of the United States.

Since July 2005, I have served as ROA'S National Treasurer. I urge each of you to remain active in ROA, or to join ROA or the Reserve Enlisted Association (REA), which currently shares office space with ROA in Washington, DC.

While serving in Bien Hoa, Vietnam from August 1968 to August 1969, I was assigned to MACV Advisory Team 95 as Officer in charge of the US Element of the ARVN III Corps Combined Interrogation Center. In the G2 Advisory Section

we had two NCO'S who commuted to Saigon in a jeep that the senior NCO had borrowed from the US Special Operations Group (SOG) in Saigon, where he had worked during a previous tour in Vietnam.

When the two NCO'S went on leave, they left the jeep with a buddy of mine, a Captain named George, who had served with me previously at Fort Bliss, TX. Since the jeep was not assigned to advisory Team 95, it had to be parked overnight in the parking lot outside the Advisory Team 95 compound. Early one morning I overheard my buddy attempting to call the Military Police to report that the NCO'S jeep had been stolen. I jumped to my feet, ran over to George and warned him. "George, don't report it as stolen, it's a stolen jeep." Sure enough when the two NCO'S returned from their leave, within two days they had another jeep that they claimed had been borrowed from SOG.

COL Russell E. Park (Army Reserve Ambassador), would like to relate this to his friends.

2005 started with a move from Fashion Hills back across the bridge to Coronado Cays, back to the mainland from Hawaii.

We finished 2004 with Christmas with the family, and then flew off to Buenos Aires to start a great cruise. A few days in Buenos before the cruise and then Montevideo, and a fantastic Paleontology museum out of Puerto Madryn, Argentina. We sailed to Cape Horn, and through the Magellan Straits and the Beagle Channel. A tour up the coast of Chile and a few days in Santiago before flying home.

In May we flew to Honolulu to attend a memorial service at Punch Bowl for a dear friend. Back to California to ride in the Torrance Armed Forces Day Parade.

In June, Tropical storm Arlene chased us around Florida. We waited out the storm at McDill AFB. In July spent time at the Desert Resort in Phoenix for an Army conference, my second appointment as Ambassador US Army Reserve.

In September and October we welcomed Army Reserve soldiers back to San Diego from deployment. A big highlight in November, we lunched and toured the USS Ronald Regan and we
