## TO ALL COOKE COUNTY MEN AND WOMEN WHO HAVE SERVED IN THE ARMED FORCES OF OUR COUNTRY IN THE SECOND WORLD WAR

### Greetings:

Victory is ours. The terrible war is over. First let us pause, bow our heads and thank God for bringing the war's end in Victory for our nation, and may we ever keep the peace.

We, the members of the American Legion, are grateful to each of you for the hardships you have suffered to bring about the Peace that we tried to gain twenty-five years ago, but which we were prevented from finishing by the political blunders and short-sightedness of politicians.

We have done all we could to help you while you have been in the service, and we of World War I have been with you in spirit and have longed to have been in there fighting by your side, but Father Time has put our ages where we would be of very little help to you on the battle fields.

We shall do everything possible to assist you in readjusting yourselves to civilian life, and to acquiring your rightful position when you return home. The Legion is always ready to help every ex-service man and woman with any problem which may arise and we want you to know that the officers and members of this post welcome you into the comradeship of that select group who have borne arms in their country's defense.

As you fighting men go back to civilian life, we of the American Legion hope that you will pick up the fight and carry on the battle for a better America that we have tried to carry on for you. We know that from your ranks will come leadership that will be wise and able and we hope you will take over our duties we have tried to carry on for you while you have been away.

As the dust of battle is setting on the scared hills, let us temper our rejoicing of victory with the thought of those men and women who so nobly gave their lives for their country. We bow our heads in their memory and offer a silent prayer that they have not died in vain, and we ask God to thank them for us.

To the parents, wives and relatives of those who lie buried in foreign soil, we want to say that the American Legion dedicates itself during its entire existence to upholding and maintaining the ideals for which your boys and ours gave their lives.

May this poem be of comfort to you.

*Robert C. Livingston,  
Post Commander*

### "FOREVER YOUNG"

HE DOES NOT BARTER WITH HIS LIFE WHO  
GIVES IT UP IN WAR,  
TO SAFEGUARD RIGHTS PROTECTED BY  
THE UNIFORM HE WORE,  
AND GAVE THE YEARS HE MIGHT HAVE LOVED,  
THE JOYS THAT WILL NOT BE—  
BUT THIS HE . . . "DIED TO MAKE HIS HOME  
A LAND FOREVER FREE" . . .  
AND AS MEMORIAL WREATHS ARE SPREAD  
AND TENDER TRIBUTE SUNG,  
HE STILL LIVES ON, BRAVE, STRONG AND FREE,  
AND STAYS FOREVER YOUNG.

## *To Our Fighting Youth*

Across the far-flung sky of  
fame

Many a flight has Died in  
flame.

Think not that every battle's  
won

Or all the Deeds of splendor  
done.

There's not a field upon the  
earth

But what's to bring new fame  
to birth.

Brave youth must rise! Each  
age demands

Clear brains, strong hearts and  
willing hands.

Work fast, fight hard, be  
strong, be true

Our future *here* depends on  
you.
