**MEN AND WOMEN
IN THE ARMED FORCES
DURING WORLD WAR II**

Worldwartwoveterans.org

We have made every effort to obtain the pictures and names of all men and women in the Armed Forces from this County. We realize, however, that our goal has not been attained and we sincerely regret any exclusions of names, as well as other errors, which may have occurred.

Worldwartwoveterans.org

Worldwartwoveterans.org

The Negroes have made
valuable contributions to all of the war activities. Although the write-up and pictures for only a few are contained in this book, there are several hundred men and women in the Armed Forces and they are now serving in all parts of the world.
